Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for City of Garfield Drainage Improvement project in fiscal year 2024. The entity to receive funding for this project is the City of Garfield, located at 111 Outwater Lane, Garfield, NJ, 07026. The funding would be used for complete a largescale drainage improvement project along Market Street, Semel Avenue, Columbus Avenue, and Prospect Street. The project is an appropriate use of taxpayer funds because it will mitigate flooding that occurs in several residential neighborhoods during heavy rain events because of inadequate and aging drainage infrastructure. The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Bill Pascrell Jr". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
